The changing conditions of our golf course.

DENI GOLF CLUB eNEWS **07 / 2020**

Managers' Report

Firstly a warm welcome to Ann Bull, who is our new Ladies Captain.

It has been another good month with excellent numbers of golfers and good bar trading, especially taking into consideration the current conditions. Financially we have traded better than anticipated. With the Government assistance, Job Keeper, cash flow assistance and NSW government incentives, our financial position is good.

We are getting closer to finishing our renovations and everything is looking great. It is now time to progress onto the next stage of the windows. The plan to move the poker machine room is being costed and I am following up on quotes to refurbish the auditorium toilets. Pro Shop renovations are also being investigated.

Our ball pick up machine shed has been constructed and should make ball recovery easier for our volunteers. I have costed some better quality ball buckets and we will trial these before purchasing. I have also costed an automated ball dispenser however at \$18,000, it is unsustainable! We have had another issue with ball theft however we think we have addressed the issue and the thefts will cease.

We have had discussions with Edward River Council in regards to sponsoring a Golf Show and are awaiting an outcome on costs and timing. If this goes ahead we will apply for the council community grant to fund the promotion.

Regards Norm

Please don't use your sand buckets as ashtrays or rubbish bins for bottle tops etc. Sand buckets are for the purpose of carrying sand to fill divots!

Please be careful when emptying your esky of ice, if you have bottle tops in the esky and they end up on the fairways etc damage can be done to the blades of the mowing equipment.

Please take your empty cans and bottles back to the pro shop recycling bins rather than the bins on the course. This will greatly assist our volunteer recycling team.

Thank you.

Premiere League

The response to Premier League has been enormous well beyond expectations. So thanks to all who have supported the competition.

Please all check the team lists especially those who made individual requests to be placed in a team. The draw for the competition is also available for you to look at.

Now it is time to have some fun, play golf and see who can be the Premier Plate winners.

Captains' Report

The good number of golfers that have been playing has continued throughout July. On one Saturday we had 140 players which was exceptional.

The monthly medal for July was sponsored by Brian McCleary & Co Accountants and was won by Dan Wade, congratulations to Dan.

The men's Foursomes Championships was also held in July and was won by Matt Thomas and Leigh Chappell, well done to both players.

On the 26th of July the final of the WRDGA Mixed Four Ball Vs Par event was held in Deniliquin. We had Four teams representing the Deniliquin Golf Club but unfortunately none were successful. The event was won by Gerry Cox and Jenny Thomas from Griffith.

On the 22nd and 23rd of August the WRDGA Championships will be held in Deniliquin so this should be another great weekend for the club.

The number of ladies playing on Tuesdays and Thursdays remains consistently good.

Our 4BBB competition on July 16th attracted 55 ladies which was excellent. We had a 3 way tie on 46 points with Prue Lloyd and Shandra Simpson winning on a count back. The top 8 pairs have qualified for the knock out round.

The Monthly Medal - sponsored by Country Club Motel, was played on 2nd July with Pauline Davis winning with net 70.

On 23rd July we had our annual 6x6x6 event, sponsored by RJ Campbell P/L. Rae Lawrence, Vicki Bruncker and Ann Bull were the winners with a tidy score of 79.

Our annual Double Date event is scheduled for 31st August/ 1st September and is creating interest from visitors so we remain hopeful that we can hold this event.

Well done to all our winners and happy golfing.

John Radeski & Ann Bull

Lady Captain, Ann Bul

The new shed for the ball collecting equipment is now completed. Thanks to Ron Turner for erecting the shed.
